Medicinal spices "A legend in 1000"

There are kings of the medicinal spices in the Onimaru ramen.It is spicy and it also acts for warming the body from inside.If you eat them,it seems that it has some effects on a detox and it enhances your body-slenderizig and skin condition for women.

The Road To Hell

Which spicy would you like?

1 YAYAKARA
People who are poor at spicy food can eat the lebel because it is not spicy at all.

2 UMAKARA
This level is medium spicy so we recommend you if this is your first time to eat Onimaru ramen.

3 GEKIKARA
We dedicate this level to you if you like spicy food.

4 CHYOKARA
If you are a brave person, you should try this level.

5 JIGOKU NO ITTYOME
This level is an entrance to hell !!!

6 JIGOKU NO NICHYOME
If you are this level, you could feel like seeing the king Enma.

7 JIGOKU NO SANCHYOME
This level's Onimaru ramen is in Japanese pepper, so you can feel so good with spiciness and numbness.
Plus 30 yen (without tax)
